

World Wrestling Federation superstar “The Rock” battles the desert on your computer in **The Scorpion King** CD Cardz set. This CD Cardz set is based on Universal Pictures’ April 2002 release of **The Scorpion King**, the prequel to The Mummy film franchise. **The Scorpion King** CD Cardz set appeals to fans of both the blockbuster trilogy and the WWF.

This action-packed set includes CD Cardz for Mathayus (Dwayne “The Rock” Johnson), Cassandra (Kelly Hu), Balthazar (Michael Clarke Duncan), and Memnon (Steven Brand). Each of the CD Cardz contains animated character postcards that can be e-mailed to friends and fans, fun facts about the character and the actor, a gallery of photos from the

movie, and the movie trailer. The Cardz feature an Egyptian-themed game where users uncover ancient Egyptian artifacts that lead to a hidden tomb and a special screensaver.

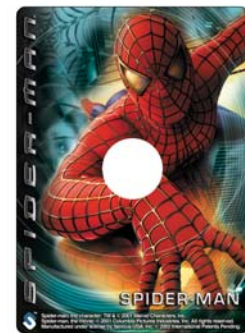

The film, a spin-off of *The Mummy* series, is based on the character first introduced by The Rock in last year’s *The Mummy Returns*, the sequel that jump-started the summer movie season on May 4, 2001 with a record-breaking, non-holiday opening weekend box office gross of \$68.1 million and to date has grossed over \$426 million dollars worldwide.

MEN IN BLACK II

Save the universe, again. Action hero/hip-hop artist Will Smith, Oscar winner Tommy Lee Jones and a cast of extra-terrestrials are featured on *Men in Black II* CD Cardz, based on the May 2002 Sony Pictures Entertainment hot new movie. These CD Cardz are great for all the 'men and women in black' sitting at home, helping them keep track of the universe from their computer.

The *Men in Black II* CD Cardz set features four CD Cardz including Agent Jay (Will Smith), Agent Kay (Tommy Lee Jones), Serleena (Lara Flynn Boyle), and Frank the Pug (voice of Tim Blaney). Each of the Cardz contains cool MIB quotes, pre-production concept art and interactive three dimensional renderings, photos from the movie, information on the characters and the actors who play them, postcards to e-mail, an exclusive screensaver, and lots and lots of Aliens.

Also directed by Barry Sonnenfeld, the original *Men in Black* was one of the top grossing movies of 1997.

# STUART LITTLE 2

Stuart Little has leapt off the pages of EB White's novel and onto the silver screen. Now, you too can root for the little guy as he tackles big responsibility on your computer. Serious USA is pleased to be the official licensee of CD Cardz for Sony Pictures Entertainment's **Stuart Little 2**.

This collectible set includes CD Cardz for Stuart, Margalo, the Little Family, and George Little. Each of the Cardz contains a bio with interesting facts about the character and the actor, a photo gallery with images from the movie, the movie trailer, a character specific screensaver, e-mailable imagery, "do-it-yourself" artwork, and hyperlinks to the web. Cardz are designed so that children can use them with or without parental involvement. The Cardz remember individual users, so friends can compare experiences. Each of the **Stuart Little 2** CD Cardz is a different journey and each journey can be explored from multiple perspectives. For example: if a user chooses to be Stuart-sized, everything on the journey will be much larger than if the user chooses to be human-sized. Hidden spots on the journey lead to new sections where users can compare their heights with Stuart, dress characters in fun outfits, learn to spell words, compare and contrast images, and more.

**Stuart Little 2** hits theaters July 19, 2002, starring Geena Davis and the voices of Michael J. Fox, Melanie Griffith, Nathan Lane, and Christopher Walken. The original **Stuart Little** movie grossed more than \$140 million making it one of the top grossing films of 1999.
